

Package B

(Part Number: DC2500B)

This package is for both residential and commercial duct cleaning. It is the same as Package A except it includes the drill driven power whip system instead of the power brush system for agitation and does not include the Aire-Vac kit or marketing package.

Package B includes the IntelliVac® power vacuum, C17GH compressor and air tools, power whip with brushes and power rod system for agitation, fogger with antimicrobial, all the necessary tools and accessories, replacement filters, and instructional video.
